## Minnesota Basketball: The Journey

---

*Go behind the scenes and into the locker room with Head Coach Tubby Smith and the 2007-2008 Minnesota Golden Gophers on **Minnesota Basketball: The Journey***

---

**March 23, 2007**—Tubby Smith was hired by the University of Minnesota with a simple directive: bring the proud Gopher basketball program back to national prominence. In his first season on the job Coach Smith did just that—taking a team that had won only nine games the previous year and leading them to a memorable twenty-win season and an NIT berth. **Minnesota Basketball: The Journey** documents the Gophers' return to glory. **The Journey** takes viewers inside the Minnesota program: from passionate locker room speeches to team planes and hotels to in-game huddles. **The Journey** gives viewers the rare opportunity to follow a college basketball coaching legend during an unforgettable season.
